

# Register for Training at RSA University... *Here's How!*

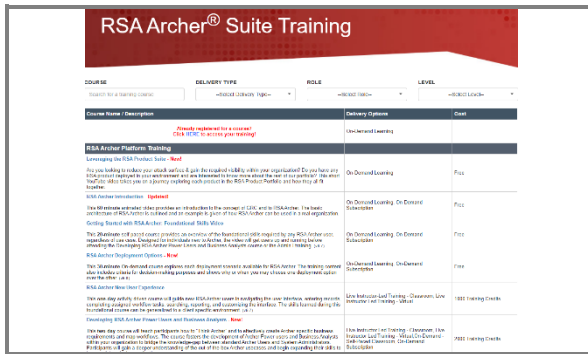

1

Browse the RSA University website (<https://community.rsa.com/community/training>)

Click on **Product Suite** to see a list of training.

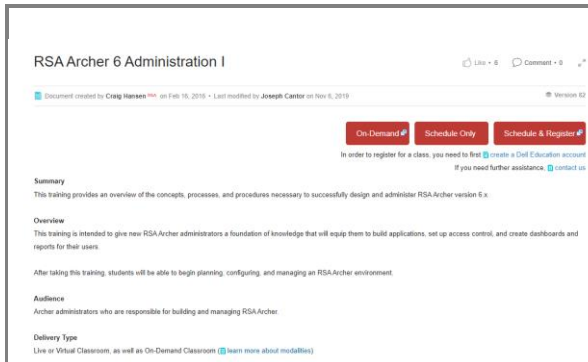

2

Each product category lists live classroom training, On-Demand Learning and On-Demand labs.

Click on the course title to view the course description.

3

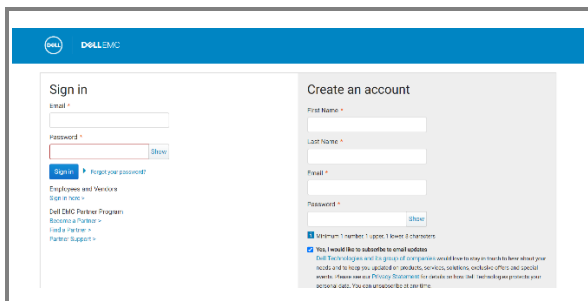

Click **Schedule Only** to view the course scheduled offerings (live classroom training only)

Click **Schedule & Register** to select a live classroom offering and process a registration. (an Education account is required to register)

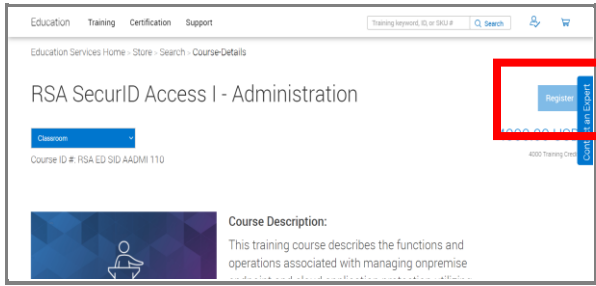

Click **On-Demand** to Register for an On-Demand course.

4

If you have an Education account, log in with your username and password. If not, create an account.

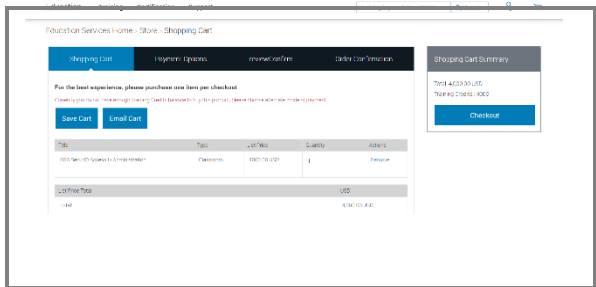

5

Confirm course and select **Register**.

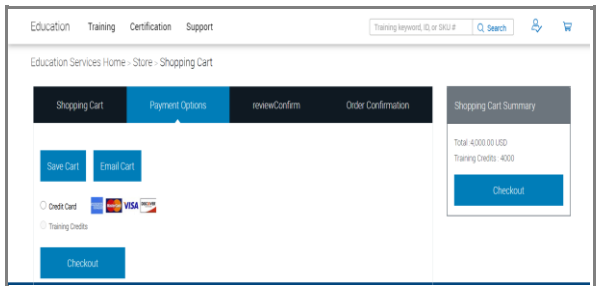

6

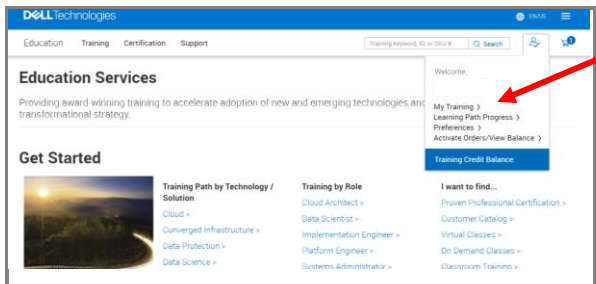

On your Shopping Cart page, you can continue adding courses or select **Checkout**.

7

Choose method of payment and **Checkout**.

8

To access the training, open the drop down and click My Training to select and Launch training.
